

New Members to Board of the Inland Revenue Authority of Singapore

Dr Chia Tai Tee

Former Chief Risk Officer, GIC Private Limited

Dr Chia was the Chief Risk Officer in GIC from Jul 2011 to Mar 2020, where he was responsible for the risk management oversight for the GIC group. He has extensive experience in investment and risk management.

Dr Chia holds a Bachelor of Economics (Hons) from The University of Adelaide and a PhD in Economics from the Australian National University. He is also a graduate of the Advanced Management Programme of Harvard Business School.

Dr Chia is currently a member of the Tote Board Investment Committee and holds several Directorship appointments in organisations such as True Light Capital Pte Ltd, SIM People Development Fund Ltd, Eastspring Investments Group Pte Ltd and United Overseas Bank Limited.

Mr Fazli Mansor

Co-founder and Director, ISGN Ventures Pte Ltd

Mr Fazli Mansor is the co-founder and Director at ISGN Ventures, which is known for their web platform IslamicEvents. He has extensive experience in web portal and application development. Apart from IT expertise, he will also be able to provide insights from the perspective of small and medium businesses.

Mr Fazli is currently the Honorary Secretary of the Singapore Malay Chamber of Commerce and Industry (SMCCI), and has served on its board since 2017. He has overseen the formation of the Digital Transformation Office @ SMCCI as well as the inception of the Protégé Kita business accelerator program for aspiring entrepreneurs in its current form.

He previously served on the Board of SME Centre@SMCCI from 2017 to 2019 as Vice-Chairman. He was also a Board Member for the Yayasan Mendaki (Council for the Development of Singapore Malay/ Muslim Community) from 2020 to 2022.

Ms Lee Yan Hong

Managing Director and Head of Group Human Resources (HR), DBS Group Holdings Ltd

Ms Lee Yan Hong is Managing Director and Head of Group Human Resources at DBS Bank.

Yan Hong's human capital management experience spans over 30 years, across a spectrum of industries, specialisations, coverage and geographies. During her time in General Motors, Hewlett Packard and Citigroup, her diverse portfolio included compensation and benefits, talent and performance management, learning and development, employee relations and organizational design.

At DBS, Yan Hong drives the overall strategic people agenda of the Group by building best practices in HR, setting the direction and spearheading various functions and initiatives in the organisational growth of the Bank. These include developing and transforming its workforce for the Future of Work, delivering the employee value proposition through joyful employee experiences, products and programmes as well as to shape the culture by design.

Yan Hong currently serves as a board member of the Institute of Systems Science, National University of Singapore (NUS-ISS).

Professor Pang Yang Hoong

Professor Emeritus

Professor of Accounting, Singapore Management University (SMU)

Professor Pang Yang Hoong is a retired accountancy academic. Professor Pang was the Senior Advisor to the SMU President, where she reported directly to SMU President and assisted with special projects.

Prior to her retirement in 2021, Professor Pang was the Founding Dean of Singapore Management University's School of Accountancy. She was also the Director of the PhD Programme, founding editor of the Accounting & Business Review, and the Head of the Division of Auditing & Taxation at the School of Accountancy & Business, Nanyang Technological University.

She previously served on key professional bodies such as the ISCA Council and the Singapore Qualification Programme Advisory Council.
