

Provision of Refuse Incineration Services

Project Summary

Agency	National Environment Agency
Project Name	Provision of Refuse Incineration Services under a Design-Build-Own-Operate (DBOO) Scheme
Project information	NEA awarded a PPP contract for Singapore's fifth incineration plant to Keppel Seghers Engineering Singapore Pte Ltd (KSES) in Nov 05. Under the PPP, KSES would Design-Build-Own-Operate the incineration plant for a period of 25 years. The move to open up the incineration industry to the private sector is in line with NEA's aim of becoming more pro-business and service-oriented by leveraging on the strengths of both the public and private sectors. Moving forward, NEA aims for the private sector to play a bigger role in Singapore's waste management industry.
Tenure of PPP contract (years)	25 (From 2009 to 2034)
Advisors	Fichtner (Asia) Consulting Pte Ltd, MOF, MEWR,
Status of project	Under construction
Date of Financial Close	31 Aug 2006
Awarded the PPP Contract to	Keppel Seghers Engineering Singapore Pte Ltd
